

## 12. Emberton Country Park

3.2 miles

<https://my.viewranger.com/route/details/ODEzNw==>

An easy walk starting at the top of Emberton village in Buckinghamshire. It starts with footpaths across local fields before descending into Emberton Country Park where there are refreshments available in the summer. The walk rounds Grebe Lake and Otter Pool, returning to the start point through the village. Dog friendly, and easy parking.

In West Lane, take BridleWay 5 opposite Stone Court. This curves round to meet a junction of paths where you turn right and right again to round the field.

Carry straight on, then bear slightly left to access the Country Park.

Turn right onto the drive in the Park, then left to reach Grebe Lake.

Keep to the bridleway rather than the vehicle routes, all clearly signed, to tour the various pools, making your way round to the car park and café.

You can then leave the Park from behind the café, making your way past football pitch and cricket club to regain Emberton village and West Lane.
