

Beyond the gate, follow a track between hedges to pass through another gate and turn left on the tarmac lane. Pass Great Brickhill Church (left) then at T-junction go right into Lower Way.

Continue on this road through the village (good views on the right). Pass the Old Red Lion Inn (right) then take a concrete lane which slopes down to the right, opposite thatched Cromwell Cottages.

Continue past Broomhill House (left) and Green Farm (right), then when the road goes right to Haines Farm, take the broad track left (signposted).

Carry on descending on this track. When you reach a T-junction opposite the entrance to Papermill Farmyard, turn right.

Now carry on along this track, which crosses a river near a large house on the left (Papermill Farm) and a tennis-court (right). Continue on tarmac and soon cross a bridge over the canal, then turn left back onto the towpath used on the outward route, to return to your car.
