

## MAKE a 2020 COUNTY PENNANT

The basics you will need: Two pieces of fabric 50cm x 35cm. One length 25mm wide bias binding 75cm long.  
Embellishments of your choice to decorate, edge & finish: let your imagination be your guide.

Your WI Pennant **must** say WI name and date formed. After that, it's up to you - mention what you do, clubs you run, where you meet etc. and decorate with embroidery, patchwork, cross- stitch, stump work, beading, edged or leave it plain.

To make the pennant cut out any two pieces of fabric measuring 34cm across top and 49cm along the long edges (a triangle). Decide first how you are going to decorate the front of your pennant before sewing the two pieces together allowing 1cm seam allowance along outside edges. Trim the excess fabric off at the point to reduce the fullness. When you have sewn your flag turn it the right way and press to get nice crisp edges. Carefully fold the bias binding in half & tuck the open seam of the triangle inside the folded binding. Pin in place, stitching together the binding & triangle as you go. Leave 20cm free at each end of your pennant for joining together with the other pennants. Only one Pennant per WI please.

These finished pennants will travel across the county with us in 2020 (all joined together) you will be able to see them in all sub-committee their glory at all BFWI Centenary events during that year. Pennants to reach us by 14/11/2019. Thank you from the 2020 Steering committee & Creative Crafts!
